3M Scotchlok Electrical IDC 901 - BOX, In-Line Bullet Receptacle

 [Format d'imprimante conviviale](#)

[\[cliquer pour agrandir\]](#)

18 to 14 (0,75-1,5) AWG, Gray, 50 per box, 500 per case

NACM(CUP/NAI) : 0 00 54007 06106 9
NI 3M : 80-6011-1101-8

Renseignements Additionnels

Disconnect. Use to electrically tap into a wire in mid-span without cutting or stripping the wire. Connector then mates with a .156 inch male bullet, making a reusable plug connect wiring termination. Maximum insulation O.D.diameter of 0.145 inches (3,68 mm) and a operating temperature of 194 °F (90°C). The suggested application tool for this connector is the E-9BM, MNG14-156DM.
