

## Specification Sheet

Part Number: VFA5LCSCOM2

FT LC - SC Duplex OM2 Fiber Assembly, 5M, Orange, 1/pkg

**Article Number**

904-00490

**Type**

VFA5LCSCOM2

**Color**

Orange (OG)

**Features & Benefits**

- Pre-radiused zirconia ceramic ferrules for precision alignment.
- Industry standard ST, SC, MTRJ or LC connectors to suit specific applications.
- Available in 1-5 meter lengths for a variety of applications.
- Color coded for easy identification.
- Individually quality tested for insertion and return loss.
- Meet ANSI/TIA/EIA 568-B standards.
- Meet ANSI/TIA/EIA 604 (FOCIS) connector interface requirements.

**Quantity Per**

bag

|                                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |

| <b>Product Description</b>        | For fiber patching requirements, HellermannTyton offers fiber optic jumpers in various lengths with a wide variety of connector configurations. HellermannTyton offers fiber jumpers in two types – standard and high performance. Our standard jumpers combine quality with value. They meet all ANSI/TIA/EIA fiber optic cable requirements while allowing installers to maximize project budgets. In addition to meeting industry standards, HellermannTyton high performance jumpers have additional features designed for high performance applications . Our high performance jumpers meet Trade Agreement Act (TAA) requirements, making them suitable for use in General Services Administration (GSA) government contract projects. |
| <b>Short Description</b>          | FT LC - SC Duplex OM2 Fiber Assembly, 5M, Orange, 1/pkg                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                      |
