### Package Includes

- SR2POST25
- 28 pieces each of 12-24 screws and washers for equipment mounting
- Installation hardware
- Cable management hooks
- Warranty Information
- Owner's Manual

### Description

Tripp Lite's SR2POST25 2-Post SmartRack Open Frame Rack is an economical way to accommodate 25U of rack space for 19-inch rackmount applications in limited spaces that do not require a lockable enclosure. Its heavy-duty, aluminum construction can safely support 800 lbs. of rackmount equipment, and its open design provides easy access to equipment and cabling. The black, textured powder coat finish makes it resistant to scratching while giving it a "classic," attractive appearance. The SR2POST25 is easy to install due to a self-squaring design combined with numbered mounting positions and bolt down provisions. It uses toolless button-hole mounting for vertical PDUs and cable managers. In high-density environments, multiple units can be bolted together side by side for easy expansion or customization. The SR2POST25 2-Post SmartRack Open Frame Rack has been approved by EIA-310-D, IEC 60297-3-100, DIN 41494 and RoHS, and is backed by a 5-year warranty.

### Features

- Supports 800lbs of rackmount equipment
- Textured powder coat finish
- Heavy Duty Aluminum construction
- Numbered mounting positions
- Bolt down provisions
- Self squaring design
- Black finish
- Easy assembly
