

TAA-Compliant 45U SmartRack 2-Post Open Frame Rack - Organize and Secure Network Rack Equipment

MODEL NUMBER: SR2POSTAA

Highlights

- Compliant with the Federal Trade Agreements Act (TAA) for GSA Schedule purchases
- 45U 2-post open frame rack
- Black aluminum with round threaded and numbered mounting holes
- Toolless button holes to accept PDUs or cable managers

Description

Tripp Lite's TAA Compliant 45U 2-Post SmartRack Open Frame Rack is an economical way to accommodate 45U of rack space for 19-inch rackmount applications in limited spaces that do not require a lockable enclosure. Its heavy-duty, aluminum construction can safely support 800 lbs. of rackmount equipment, and its open design provides easy access to equipment and cabling. The black, textured powder coat finish makes it resistant to scratching while giving it a "classic," attractive appearance. The SR2POSTAA is easy to install due to a self-squaring design combined with numbered mounting positions and bolt down provisions. It uses toolless button-hole mounting for vertical PDUs and cable managers. In high-density environments, multiple units can be bolted together side by side for easy expansion or customization. The SR2POSTAA is in full TAA (Trade Agreements Act) compliance for easy addition to GSA Schedule contracts and other government contracts, as well as EIA-compliant for vendor-neutral compatibility with 19-inch rackmount equipment. It is backed by a 5-year warranty.

Features

- Supports 800lbs of rackmount equipment
- Textured powder coat finish
- Heavy Duty Aluminum construction
- Numbered mounting positions
- Bolt down provisions
- Self squaring design
- Black finish
- Easy assembly
